

Midwest Geospatial Academy Tuition Discounts

If you are thinking about enrolling at MGA for Spring 2025 or Fall 2025, you can prepay tuition and receive a **\$50 or \$75**. As we are a startup school, we can use all the financial help we can get.

The details:

For Spring 2025

Contact us no later than Tuesday October 8, 2024 at info@geospatialacademy.us. Tell us which course(s) you want to enroll in Spring 2025. Then submit an application at <https://geospatialacademy.us/admissions/> to receive invoice reflecting \$50 discount/person/course.

For Fall 2025

Contact us no later than Friday March 7, 2025 at info@geospatialacademy.us. Then submit an application at <https://geospatialacademy.us/admissions/> to receive invoice reflecting \$75 discount/person/course.

Employers wanting a discount for multiple employees should be sure to contact us with the employees' names, but the employees will each still need to submit an application

FAQs

- *Can I prepay for Spring 2025 and Fall 2025 at the same time?* Yes, as long as you meet the cut-off dates.
- *What happens if I don't enroll in the courses I am prepaying?* We'll save your full rate credit to apply at some future course at some future semester. We can also transfer it to someone else's account.
- *If I'm an employer paying for several students, do I have to separate emails?* Of course not, just give us the details in the most practical way possible; do let us know if each student is already registered with us or will be a new student (meaning simultaneously submitting an application).
- *Is my prepayment refundable?* Yes, on written request for the amount paid only (not the credit)
